## FAVOURITES

Bradley's premium tea is exclusively developed for the out-of-home market, setting it apart from home consumption with its attractive and sustainably designed packaging. Each range offers a unique presentation, with distinctive numbers representing specific flavours. Bradley's daily favourites, available in 16 popular Fairtrade flavours, feature a vibrant and recognisable design. The tea is packaged in convenient dispenser boxes with 10 heat-sealed envelopes, ensuring optimal freshness and flavour retention. The flip-top design makes the tea easy to use while keeping it fresh for longer. Additionally, our Green Deal proof packaging supports a more sustainable future with less waste and better compost. Choose Bradley's and turn every tea moment into a conscious and flavourful experience!

## PRESENTATION & SUPPORT

To beautifully present Bradley's tea, we offer a diverse range of presentation and support materials thoughtfully designed for use on the terrace, at the bar, or on the table. The collection includes bamboo tea boxes, practical dispensers, and stylish table displays that combine elegance with functionality. Additionally, our menu cards and detailed flavour descriptions enhance the table presentation, helping your guests easily select their ideal cup of tea.
