ORGANIC

Bradley’s Organic offers a wide selection of high-quality organic and Fairtrade-certified teas, exclusively developed for the out-of-home market. Thanks to the convenient dispenser boxes with 25 heat-seal envelopes, the tea stays fresher and full of flavour for longer. With 15 delightful flavours – from timeless classics like Earl Grey to unique blends such as Moringa & Ginger – there is always a perfect choice to suit your guests. Each range is packaged in attractively and sustainably designed boxes, creating a unique and eye-catching presentation. The distinctive numbers on the packaging represent each specific flavour. The stylish design and eco-friendly packaging contribute to a conscious and flavourful tea experience for every occasion. Bradley’s Organic is also Green Deal-proof: less waste, compostable materials, and a commitment to a greener future.

PRESENTATION & SUPPORT

To beautifully present Bradley’s tea, we offer a wide range of presentation and support materials for use on terraces, at the bar, or on the table. The assortment includes bamboo tea boxes, convenient dispensers, and table displays that combine style and practicality. Additionally, our menus and flavour descriptions provide an attractive table presentation, allowing your guests to select their favourite tea.
