PIRAMINIS

Bradley's premium tea is exclusively developed for the out-of-home market, offering a professional and stylish presentation that sets it apart from home consumption. Each range features attractively and sustainably designed packaging, with distinctive numbers representing specific flavours. Bradley's unique pyramid-shaped tea bags allow the ingredients to move freely, ensuring an optimal flavour experience. Every vibrant mini-box creates a lasting impression and adds an extra touch of elegance for your guests. Enjoy premium tea blends with large tea leaves and real pieces of fruit and herbs, packed in pyramid bags that bring out the full richness of the flavour. Available in 13 delicious Fairtrade-certified flavours, Bradley's offers the perfect tea experience for every occasion.

PRESENTATION & SUPPORT

To beautifully present Bradley's tea, we offer a comprehensive range of presentation and support materials specifically designed for use on the terrace, at the bar, or on the table. The range includes elegantly crafted bamboo tea boxes, convenient dispensers, and stylish table displays that perfectly combine style, elegance, and practicality. Additionally, our thoughtfully designed menu cards and detailed flavour descriptions provide an attractive and engaging table presentation, ensuring your guests effortlessly and confidently select their favourite tea.
