PYRAMIDS

Bradley's premium tea is exclusively designed for the out-of-home market, setting it apart from home consumption. Each range features its own attractive and sustainably designed packaging, ensuring a unique and eye-catching presentation. The distinctive numbers on the packaging represent individual flavours. With Bradley's Pyramids, the vibrant packaging and premium tea blends deliver a truly unique moment of indulgence. Each pyramid-shaped tea bag contains large tea leaves and real pieces of fruit and herbs, creating a rich, full-bodied flavour. Thanks to the innovative pyramid design, the ingredients can move freely, allowing the flavours to fully unfold. The result? An unparalleled tea experience your guests will appreciate. Choose from 8 delicious and Fairtrade-certified flavours.

PRESENTATION & SUPPORT

To beautifully present Bradley's tea, we offer a diverse range of presentation and support materials thoughtfully designed for use on the terrace, at the bar, or on the table. The collection includes bamboo tea boxes, practical dispensers, and stylish table displays that combine elegance with functionality. Additionally, our menu cards and detailed flavour descriptions enhance the table presentation, helping your guests easily select their ideal cup of tea.
