GREEN TEA SENCHA

NO.49

Green Sencha is considered the drink of hospitality in Japan. Sencha is known for its smooth character, delicate flavour, and fresh green colour. The word 'Sencha' literally means 'infused tea', referring to the process by which this tea is made.

EARL GREY

NO.59

Named after the British nobleman Earl Charles Grey. Bergamot gives this blend its fresh taste and timeless character.

GINGER & ARONIA BERRY

NO.220

A powerful, spicy infusion of ginger with sweet notes of fennel and anise. Fresh lemongrass and mint add a vibrant flavour. Delicate rose petals, aronia berries, and star anise provide a refined finishing touch. This unique blend surprises with its full-bodied taste and delicate aroma.

GREEN ROOIBOS & HONEYBUSH

NO.72

Both rooibos and honeybush originate from South Africa. This smooth, caffeine-free herbal blend offers pure indulgence.

TURMERIC GINGER

NO.148

This infusion becomes your daily moment of indulgence. The organic turmeric and pieces of ginger guarantee an extraordinary taste experience.

GREEN TEA TONKA

NO.607

Green tea forms the fresh base of this blend, allowing space for the soft, sweet notes of tonka bean. This mysterious spice adds a warm, vanilla-like sweetness that makes every sip special.

APPLE & CITRUS

NO.94

The combination of apple and citrus makes this infusion sweet yet refreshingly light. This touch of freshness comes from orange peel and lemongrass. The blend is completed with the beautiful colours of marigold blossom and blue cornflower petals.

LEMONGRASS GINGER

NO.411

A delightful infusion for any time of day. The ginger lends this blend its subtle yet spicy flavour, beautifully complemented by the freshness of lemongrass and lemon.
